

STUDENTS OF THE WEEK

All students who have sent off UCAS and Apprenticeship applications as well as those dedicated Year 12 who have already started to source a job for Work Experience.

Thank you also to Nelly and Jaro who will be leaving us soon to go back to Germany, we have really enjoyed having you learn with us this term.

REMINDERS

- Please remember to wear your lanyards and not to have mobile phones out in the corridor
- Please check with your tutors for your individual WIG times, all students need to have their WIG by the end of term.

Year 12's and 10's spent the day at Home Park exploring and developing innovative solutions to societal challenges, having listened to inspirational young people who told stories of hope and ambition our students were able to give feedback. Members of the local council and representatives from the Education and Youth sector will now take away the thoughts and implement them into the national strategy.

YEAR 12 WORK EXPERIENCE

All Year 12 students have had an assembly on Work Experience this week which is running from the 1st - 5th July 2024. They need to find their own placement, so please support them in finding a place of work. The presentation is on the tutor google classroom if you need any further information. If students are unable to find a placement they will be in school and completing a virtual work experience.

END OF TERM CELEBRATIONS.

- Year 13's will have had a pizza celebration afternoon on Friday 8th December, well done for all your hard work with your PPE's and coursework.
- Year 12 have a quiz afternoon on Thursday 14th December, students will compete in a variety of rounds to be crowned 2023 Quiz Winners. Start thinking of your teams now!
