

NEWSLETTER

Another busy week, Cambridge University came to speak to Year 12 about aspirational goals for applying to top universities. Year 13's are applying for apprenticeships and choosing which university offers to accept, whilst revising for their PPE's. As a way to say thank you for all the students hard work Mr Boyes and Mr Mee arranged doughnuts and hot chocolate as a Friday treat, both were well received by the students.

REMINDERS

- Please remember to wear your lanyards and not to have mobile phones out in the corridor
- Please check with your tutors for your individual WIG times, all students need to have their WIG by the end of term.

KEY DATES

March 4 - Year 13 PPE's - Good Luck

March 5 - Year 12 - Next Steps Session

March 7 - Year 13 Student Finance Assembly

March 12 - Year 12 - UCAS Convention Exeter

STUDENTS OF THE WEEK

- Congratulations to Tahmina, Becky, Charlie, Josh, Kelly and Carla who have started their volunteering at Age UK Plymouth
- Up Learn superstars are Brandon, Eli & Hannah
- Thank you to all who supported KS4 by Chocolate Brownies to raise money for Lipson Larder.

WEDNESDAY DEVON FOOTBALL

Congratulations to all who played on Wednesday, they won 17 - 2 to City College, Plymouth. Goals were scored by Bailey, Finn, Geronimo, Harvey, Damian, Ryan, Logan and Tyler. This result has been coming for weeks due to their hard work, dedication and the ability to be able to work together as a team.

They also played in an inter schools championship on Thursday beating Plymstock and PHSG. and losing narrowly to Heles

YEAR 12 WORK EXPERIENCE

Students who are yet to find a placement are using the Wednesday lessons 4 and 5 to find their own placement. If you are choosing to complete it online please send the Speakers For School Links to Mrs Marshall. If you are completing it through My Super Curricular please make sure you save the links so Mrs Hayward can see which ones you have chosen. There is still time to find an in person one, just add all the details into UNIFROG. Remember Work Experience is needed for Apprenticeships as well as for University courses.
