

Equal Consideration Deadline Day for university applications took place on 31st January; 47 applications have been submitted. Applications can be submitted up until 30th June to universities with course vacancies. On Thursday the politics students went to the House of Commons and on a Parliamentary Peoples Tour. Tuesday 6th February sees our annual Careers Fair taking place with 30 employers, education and training providers attending. Year 12 / 13 students will be attending during the day for what is a great opportunity to find out more about the career pathways open to them.

REMINDERS

- Please remember to wear your lanyards and not to have mobile phones out in the corridor
- Please check with your tutors for your individual WIG times, all students need to have their WIG by the end of term.

STUDENTS OF THE WEEK

- Congratulations to Gabriella, Daisy, Dominic, Emily, Kelly, Shantaya and Sienna who have been successful in the application to become a Reading University Scholar.
- Uplearn stars of the week Brandon, Neve and Molly E. Well done

KEY DATES

February 2 - Year 12 Seas Your Future applications in.

February 6 - Careers Fair

February 9 - Year 12 to have completed Work Experience Placement form.

March 12 - UCAS Convention Exeter

STUDY SKILLS

Often we take for granted that our students know how to study and have all the skills needed to be successful in sixth form. However, in reality this is not always the case and for many there are areas where they struggle. Therefore we will soon be providing sessions around supporting our students with study skills. It will give them the opportunity to look at things such as; How to make Effective notes, Revision Techniques, Organisational skills, Self Motivation and coping with Exam Stress. These sessions will run during Wednesday enrichment.

APPRENTICESHIPS

Level 3 degree level apprenticeship applications are also now being submitted by Year 13 students. For the latest apprenticeship vacancies in Plymouth, please click: <https://www.skillslaunchpadplym.co.uk/youth-hub-apprenticeship>. Local opportunities are also shared weekly with the students through their tutor Google Classroom. For degree apprenticeships across the UK, please look at <https://amazingapprenticeships.com/higher-degree-listing/>. Again, students should see Mrs Marshall for support,
