Our ethos – we ask parents and carers to respect our ethos and its importance to the school community. This doesn't affect the right to apply for a place here or how that application would be considered.

We believe in valuing our people and putting them first. This starts with our students, whose best interests shape every decision we make. However, we also look after and cherish our amazing staff and welcome the contribution of our parents.

We insist on the highest quality in everything we do. We have extremely high expectations in every aspect of our work and will do things only if we can do them to a really high standard. In order to do this, we sometimes have to say 'no' to things.

The raising of student achievement is our core purpose, our reason for being. We are preparing our students for their adult life, so they need to leave us with the very best set of academic results of which they are capable. However, we also see achievement in its widest sense, which is why we put so much emphasis on areas such as sport, music and the performing arts, as well as trips and visits. Our wider curricular programme of clubs and activities is impressive and covers an incredible range.

At Lipson, we like to keep things simple wherever we can. We are proud of the behaviour and attitudes of our students and we achieve this in two ways. We place an emphasis on the quality of the relationships between staff and students and we believe that kindness should underpin everything that we do. However, we also have a crystal-clear set of expectations and standards which are demonstrated by our Code of Conduct. We ask our students to be:-

Prepared
Engaged
Respectful
Kind

There is little room for ambiguity with such a simple mantra and this is backed up with a similar set of principles for our staff, all of whom we expect to demonstrate:-

Professionalism
Expertise
Responsibility
Kindness

We are an ambitious school and rather than celebrate our many successes, we still strive to be even better. The progress of our students is something that we are very proud of but, alongside academic excellence, the welfare and well-being of our students and staff is central to our culture. We have traditionally been part of the co-operative movement and their core values such as democracy, self-help, equality and social responsibility still very much influence our way of working.

Quite simply, we believe that every student is good at something; our job is to find out what it is and enable them to fly.

Ted Wragg Trust

The Ted Wragg Trust is an ambitious and inclusive Trust of Schools strengthening our communities through excellent education. Schools work collaboratively towards our collective mission to transform lives and strengthen communities to make the world a better place. Love for each unique community within our family of schools is demonstrated through our values of ambition, selflessness and collaboration.

The Ted Wragg Trust was established in 2013 with the aim of local schools working together to be the best that they can be. The Trust has since grown from a one school Trust to a Multi-Academy Trust responsible for the education of over 13,000 children aged between 2-18 across Exeter, Plymouth, Crediton and East Devon. Our journey can be found [here](#).

We show our love by having the highest expectations for every child, every day, with social justice at our core. We are committed to supporting children to thrive so they can fulfil their greatest potential, and be the best that they can be. We are proud that more and more of our students are achieving their very best and going on to aspirational academic and vocational courses, which is allowing them to flourish in a full range of contexts.

As a family of schools, we put children at the centre of all we do. We deliver a high quality, knowledge rich and inspiring curriculum. Our caring and inspirational team, work together to equip students with the knowledge, skills and experience to become compassionate and courageous citizens, determined to make the world a better place.

Catchment area

This school does not operate an admissions catchment area.

The school location and surrounding area can be viewed in more detail at devon.cc/schoolareamaps.

For admissions purposes, distances are measured in a straight-line main entrance for the school. Distances for school transport purposes are measured by the shortest available route.

Oversubscription Criteria

To be used only when there are more applications than there are places available.

A child whose Education, Health and Care Plan names the school will be admitted without regard for these criteria.

1. **Looked after children¹ and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order² including those who appear to the admission authority to have been in state care outside England and ceased to be in state care as a result of being adopted.**
2. **Priority will next be given to children who have an exceptional social or medical need which means they should attend this school rather than any other (or whose parents have such a need).** An application must be supported by evidence from a medical specialist or social worker of the need and why it means the child needs to attend this school.³
3. **Priority will next be given to children who are siblings⁴ of pupils on roll at this school.**
4. **Priority will next be given to children on roll at a named linked school.⁵**
5. **Priority will next be given to children of members of staff⁶ who have been employed at this school⁷ for more than two years or recruited within the past two years to fill a vacancy for which there was a skills shortage.**
6. **Priority will next be given to other children.**

Tiebreaker – to prioritise applications in the same oversubscription criterion:

- a) straight-line distance from home to school and then,
- b) where distances are equal (within 2 metres) an electronic list randomiser will be used.

¹ Children who are Looked After by or provided with accommodation in the exercise of its functions (see the Children Act 1989 section 22(1)) by a local authority.

² An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

³ To request this priority, the application must be accompanied by a completed [Supplementary Information Form for Exceptional Need](#).

⁴ 'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a stepbrother or sister or other child living in the same household as part of a single-family unit at the date of their application for a place. **Siblings are those on roll in Year 7 to Year 13** or with a formal offer of admission to those year groups.

⁵ Linked school priority applies to normal round admissions only, not to in-year admissions.

⁶ A child will be eligible if the member of staff is either the natural or adoptive parent or other person with parental responsibility or any person living in the same household and acting as the child's parent.

⁷ This will be any salaried person employed at this school when the application is made. Where the duties of a member of staff are undertaken at different schools in a federation or chain of schools, there will be admissions priority only at one school. This will be at the member of staff's base school, where he or she works for more than 50% of their duties.

School Admissions Policies

Every school must set a separate admissions policy for each academic year. The policy will tell parents how to secure a place at the school and tell the school and its leaders and staff what they must do to meet their legal duties. Policies have to be fair, clear, and objective so that they comply with the legal requirements of the Admissions Codes and all other relevant legislation. The policy will explain:

- parents must make a formal application
- how and when to make applications
- how many places are available for the first intake into school: year 7
- the school's commitment to fair, consistent, and transparent processes

Our policy should be read along with Plymouth City Council's admission information and its policies to support access to education, including admissions and transport. Parents of children who live in a different LA area should read the equivalent information and policies published there.

Once our policy is determined, it can't be amended except where it is permitted or required under the terms of the Admissions Code. Any amendments we make will be detailed in the Key Information section [above](#).

We will consult on our policy every year. It is possible that we will propose changes to policy. Although we have not often made changes to parts of the policy such as the oversubscription criteria, the Published Admission Number, or the catchment area, parents should not assume that the policy will be unchanged from one year to the next.

How to apply for admission - at the normal round for year 7

Parents apply for admission to the LA where their child lives. For children who live in the Plymouth City Council area,¹ applications are made at www.plymouth.gov.uk/schooladmissions. A hard copy of the common application form is available on request from the LA. Every LA provides its own application forms. Details of an application naming this school will be forwarded to Plymouth to be managed under Plymouth's admission arrangements.

The school's admission authority is responsible for ranking² all applications against its oversubscription criteria so that the LA can offer places under its co-ordinated admission scheme. Offers will be made by the LA on behalf of the school. Offers at the normal round will be sent by the LA where the child is living at that time.

Applications for Plymouth-resident children open on 1 September 2024 and close on the National Closing Date: 31 October 2024. Applications can be made after the closing date, but they will be considered after all timely applications. This may mean they are at a disadvantage and could be refused.

Places will be offered for admission at the beginning of the autumn term in September 2025.

How to apply for admission - in-year admission to any year group

We will participate in Plymouth's co-ordination for in-year admission in 2025-26. This means that all parents apply to Plymouth, regardless of where the child lives. Applications are made at www.plymouth.gov.uk/schooladmissions. A hard copy of the common application form is available on request from the LA.

The school's admission authority remains responsible for ranking all applications against its oversubscription criteria so that the LA can offer places under its co-ordinated admission scheme. Offers will be made by Plymouth on behalf of the school.

Applications can be submitted at any time after the year group has started³ but won't be processed earlier than 8 school weeks before the place is required. Applications will be processed earlier than this for children of UK Service personnel and Crown Servants. They are considered in date order, with all those received at the school or by Plymouth's School Admissions Team considered together.

How to apply for admission – Post-16

Applications for admission into sixth forms in Devon are made direct to the school itself. See the separate admissions policy for our post-16 setting.

¹ Parents of children who live in the Devon County Council or Torbay Council areas must apply to those LAs, not to Plymouth.

² Ranking may be undertaken by the LA on behalf of the school.

³ This means on or after 1 September of the intake year.

Responsibility for decision-making

The admission authority is responsible for all decisions. The LA may assist with tasks such as ranking applications against the oversubscription criteria and will provide advice and support over matters including evidence of new addresses .

Decision-making cannot be made solely by email or by a single individual.

The admission authority may meet virtually (for example by video or conference call). Admissions decisions will be made by a sub-committee or local governing board, consisting of at least 3 members. It will meet within 5 school days of receiving an in-year application and record its decisions and the reasons for them. This is to ensure that a decision can be communicated to the parent within 15 school days. If the decision is to refuse admission, the LA may then consider under its Fair Access Protocol.

The school will notify the LA of numbers on roll in the school within 2 school days when requested to do so. This enables the LA to advise parents.

The right of Appeal when an application is refused

Parents have the right of appeal against a decision to refuse admission to a Panel that is independent of the admission authority and the LA.¹ Information about the right of appeal and how to appeal will be provided with any refusal.

A timetable for appeals is included in the glossary below.

Admission of children outside their normal age group

Parents can request that their child is taught outside their normal or chronological age group. If this occurs after admission, the school will discuss the options and reach a decision on the appropriate year group in the pupil's best interests. Parents can request that admission to the school is outside the normal year group. This could be because:

- a child is learning at greater depth and parent wants an older year group or
- a child has experienced problems such as ill health and parent wants a younger year group or
- of parental preference for a summer-born child to start school in Reception in a younger year group.

With any request for admission outside a child's normal age group, the admission authority has two decisions to make:

1. which year group would be in the child's best interest.
2. whether there is a place that can be offered in that year group.

Parents should contact the school as soon as possible to discuss any admission outside a child's normal age group.

For normal round admission to a younger year group, parents are encouraged to **apply** for admission to the normal year group and to **request** agreement that a place would be made available in the younger year group, vacancies permitting. This enables admission authorities to reach a decision on year group before the National Offer Day.

Parents are encouraged to explain why they are requesting admission out of the normal year group and to provide as much supporting evidence as they wish to. The admission authority will decide, based on the circumstances of the case, and in the best interests of the child concerned, considering:

- the headteacher's views
- the parent's views,
- any information about the child's academic, social, and emotional development submitted by the parent or otherwise known,
- information about the child's medical history and the views of a relevant medical professional submitted by the parent or otherwise known,
- whether the child has previously been educated out of their normal age group,
- guidance from the Department for Education on the admission of summer-born children to Reception,
- whether the child may have fallen into a lower age group if it were not for being born prematurely.

If the request to be taught out of the normal age group is agreed, the application can be withdrawn by the parent before a place is offered. The parent will then make a fresh application for the younger year group in the next admissions round. If the request is refused, the parent decides whether to continue with an application for the normal year group. It may be that another school agrees to admission to the younger year group there.

¹ Where a child has been permanently excluded from two or more schools there is no need for an admission authority to comply with parental preference for a period of two years from the last exclusion.

Parents should consider the implications of a child being taught out of the normal age group. A school to which the child transfers is not obliged to teach outside the normal age group though it must take into consideration that the child has been taught outside of the normal age group.

Emergency arrangements

If a local, regional, or national public health lockdown is imposed, school admission and appeals arrangements may operate to amended timescales or under emergency regulations. Wherever possible, admission applications will continue to be processed under the terms of the co-ordinated admissions schemes so that parents are not disadvantaged. Places will be held open until it is practical and safe for children to attend on site. Remote learning will be made available as for existing pupils although we recognise that in some circumstances, a parent may feel it is expedient to take up remote learning from the current school on a temporary basis.

Provision may be available for vulnerable and key worker children on site or at an alternative setting, according to circumstances at that time.

Appendix A – Explanatory notes for Plymouth Ted Wragg Trust state-funded schools. The oversubscription criteria for this school are detailed [above](#). Further information can be found at Plymouth City Council's [School Admissions Arrangements: A Parent's Guide](#)

Admission authority	This is the body with legal responsibility for the admissions policy and decisions in response to applications for admission. This includes proposing, consulting on, determining and publishing the policy. The admission authorities for different types of school are: Academy: the academy trust or multi-academy trust Community school: the LA Foundation school: the school's governing board Free school: the academy trust or multi-academy trust Studio school: the academy trust or multi-academy trust University Technical College (UTC): academy trust or multi-academy trust Voluntary Aided school (VA): the school's governing board Voluntary Controlled school (VC): the LA
Admission Number (AN)	The AN is the equivalent of the PAN after the intake year but should be seen as a guide rather than as a minimum. It is the number of places a school expects to be able to provide in the Year Group. It will often be the same as the PAN that was originally determined for that group of children when it first entered the school. It may be increased or decreased in response to changes in demand or in the school's accommodation or organisation. See also PAN.
Appeal	When an application is refused, this is because the school believes it would "prejudice the provision of efficient education or the efficient use of resources" (see the School Standards and Framework Act 1998). Any refusal will be in writing and inform the applicant of the: • reason for refusal • right to an appeal to be heard by an independent panel • right to a place on a waiting list for vacancies An appeals service is available before the LA Independent School Admissions Appeals Panel. Further information about the process is available from the Appeals Clerk. Appeal papers will either be sent with the refusal letter or can be requested from the LA.
Appeals Timetable	The deadline for submitting appeals allows appellants at least 20 school days to prepare and submit a written appeal. The appeal must then be heard within 40 school days for the normal round and within 30 days for in-year admissions. Normal round intake: Allocation date for Reception or junior school Year 3: 16 April 2025 Deadline for appeal forms to be submitted: 31 May 2025 Appeals will be heard within 40 school days, by: 25 July 2025 Where possible, appeals that are submitted after 31 May will be heard by 25 July. If that is not possible, they will be heard within 30 school days of the appeal form being submitted. Allocation date for Year 7 intake or studio school / UTC Year 10: 3 March 2025 Deadline for appeal forms to be submitted: 22 April 2025 Appeals will be heard within 40 school days, by: 24 June 2025 Where possible, appeals that are submitted after 22 April will be heard by 24 June. If that is not possible, they will be heard within 30 school days of the appeal form being submitted. The allocation and appeal dates for the Year 12 intake are set by each sixth form. At Lipson Co-operative Academy Sixth Form: Allocation date for Year 12: by 28 February 2025 Deadline for appeal forms to be submitted: 31 March 2025 Appeals will be heard within 40 school days, by: 14 June 2025

	<i>Where possible, appeals that are submitted after 31 March will be heard by 14 June. If that is not possible, they will be heard within 30 school days of the appeal form being submitted.</i> <i>Sixth form appeals in response to a candidate not meeting academic criteria when the external exam results are published in August, within 30 school days: by 14 October 2025.</i>
Application	For normal round admissions, applications are considered to have been made on the National Closing Date (15 January for all-through, infant, junior and primary schools, and 31 October for all-through, secondary, studio schools and UTCs) or the date when the application was submitted or amended if later. In-year applications are considered to have been made on the date they are received or amended, including any supporting evidence that is required – for example, a new address or evidence of a Child's in Care status or a Supplementary Information Form will amend the date on which the application is considered to have been made. It is an applicant's responsibility to make sure that the admissions authority or LA is informed about changes to circumstances and eligibility for priority if, for instance, a sibling is taken onto the school roll, or the home address changes.
Catchment Area	Many schools operate an admissions catchment area. This is the geographical area that the school is primarily intended to serve. There is a higher admissions priority for children who live in it. Living outside a catchment or priority area does not prevent a child from being admitted to the school where there are vacancies. Children living in a residential property split by a catchment boundary line will be considered to be living within the catchment area. The boundary line will then be reviewed for future applicants. Eligibility for catchment priority where this is part of a school's arrangements is not a guarantee of admission. Oversubscription criteria for this school are detailed above.
Children adopted from state care outside England	These children have the same admissions priority as Children in Care. Evidence of having been in state care before adoption will be required. Guidance on what constitutes as state care in any country will be available from the Headteacher of the Plymouth Virtual School.
Children formerly in Care (Looked After)	These children were looked after until they were adopted (see the Adoption and Children Act 2002 section 46) or made the subject of a child arrangements order or a special guardianship order (Children Act section 14A). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. All admissions policies must give priority to Looked After and Previously Looked After Children and those adopted from state care outside of England. Eligibility for looked after or formerly looked after priority is not a guarantee of admission although there is a presumption in favour of admission. Oversubscription criteria for this school are detailed above.
Chronological Year Group	This is the group of children usually taught together according to their date of birth. Children born between 1 September and 31 August have the same chronological Year Group. This is sometimes called the normal age group.
Common Application Form	This is the name for the application form provided by the LA and must be used for any normal round admissions application. The form provided by the LA where the child lives must be used, regardless of where the school is. LAs also provide a common application form for in-year admissions, to be used for schools that participate in in-year co-ordination. Children who live outside England when the application is made should apply to the LA where the school is located.

Compulsory School Age (CSA)	Children reach compulsory school age and must be in full-time education on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March. Children are no longer of CSA when they reach the School Leaving Age (SLA); the last Friday in the June of the academic year during which a child has their 16th birthday.
Deferred admission	Parents can choose to defer their child's admission to a Reception class from the September after the fourth birthday to the start of the term after the fifth birthday. This will be the spring or summer term within the same academic year. Deferred admission children remain in their normal year group. The offer for a place will be held open for the child where a parent has informed the school. The place will not be offered to another child.
Delayed admission	Parents of summer-born children can request that their child's admission to Reception class is delayed from the September after the fourth birthday to the September after the fifth birthday which is the point at which they are required to be in suitable education. The decision rests with the admissions authority for a school and must be made in the best interests of the child. Where it is agreed, the parent must also make an application for admission in the appropriate normal round alongside all other applicants. As delayed admission children are then out of their normal year group, parents should contact schools in good time before transfers to make a similar request to be admitted to the next school out of the normal year group. This will be for in-year transfers or normal round admission to junior schools, secondary school or otherwise. The admission authorities for other schools must consider the child's school history but they are not bound by the decision to agree delayed admission previously taken. Delayed admission should not be confused with deferred admission which involves putting off admission to the Reception class within the same academic year. Deferred admission children remain in their normal year group. Guidance on delayed admission is available from Plymouth City Council.
Distance measurement	Measurements for school admissions purposes are straight-line from the establishment marker for a child's home (the residential building) to centre of the main entrance gate to the school, using the mapping system of Plymouth City Council. Other mapping systems are not used for these purposes.
Documentary evidence	Once a place has been offered to a child, the school may ask for evidence of identity – usually a short birth certificate. This may not be necessary where the child has been on roll at another school in England which can confirm that evidence has been seen at that school. The admission authority – or the LA on its behalf – may also request evidence that of the child's address or that the person who made an application for admission was legally permitted to do so.
Education, Health and Care Plans	An Education, Health and Care Plan is a formal document issued by the LA describing a child's additional needs and how they will be provided for in a school. Any child whose EHCP names this school will be admitted. This will reduce the number of places available to other children accordingly. For in-year admissions, the child will be admitted whether the school has reached its PAN or other AN for the Year Group. Before a Plan is issued or amended the LA will consult with schools and ask whether it considers it could meet the child's needs, as set out in the Plan.
Education Transport	Parents should consider how their child will get to school for the whole of their time on roll. Parents are advised not to rely on lifts, car shares or public service vehicles always being available. Supported transport is provided by Plymouth City Council for Plymouth-resident children who:

	• attend the closest school available. • (low-income households) one of the three closest secondary schools if between 2 and 6 miles from home; • (low-income households) the closest faith secondary school if between 2 and 15 miles from home. The home address must be further than a minimum walking distance according to the child's age: 2 miles for children at a primary, infant, or junior school and 3 miles for children at a secondary school. See Plymouth's Education Transport Policy for further information. Children who do not live in Plymouth should apply to their LA for transport support. A school's admissions straight-line measurement policy does not apply to LA school transport decisions. It is possible that a school is the closest available for admissions purposes, using straight-line measurement, but not the closest school for the purposes of entitlement to free school transport from the LA. Parents who rely on free transport are strongly advised to check whether there is an entitlement with the Education Transport Team before accepting the offer of a place at any school.
Equally ranked preference scheme	When making an application, parents can express a preference for one, two or three schools. There may be more applications available in other LA areas. Preferences should be named in the order the parent would most like a place to be provided. It might be possible for each school to offer a place. If that happens, a place will only be offered at whichever of the schools that could offer a place the parent ranked highest. So, if places are available at School 1 and School 3, a place will be offered at School 1 only. Equally ranked preference schemes are a legal requirement which enable parents to apply for the school they prefer without risking admission to the closest school or a catchment school. Schools are not informed by the LA whether an application is a first, second or third preference.
Exceptional Need to attend this school	A school can prioritise admission for a child where there is an exceptional need to attend that school and not another school. Priority can only be agreed where it is the first preference school. Eligibility for this priority where it forms part of a school's arrangements is not a guarantee of admission. Oversubscription criteria for this school are detailed above.
Extended schooling	Further information on services beyond the normal school day is available from the school office or website.
Fair Access Protocol or In-Year Fair Access Protocol	All LAs are legally required to operate an In-Year Fair Access Protocol across their area and all state-funded schools must take part in an agreed Protocol. This ensures that children who are vulnerable and unable to access an appropriate school place under the standard In-Year admission arrangements for the area have an admissions safety net. This may mean that a child is admitted to a school even though it is full and other children have been refused admission. It is possible for a child to be refused admission but be allocated a place under the In-Year Fair Access Protocol, including when there are children on a waiting list.
Faith oversubscription criteria	Schools with a recognised religious character may give additional priority for admission where faith criteria are met by an applicant. Eligibility for faith priority where it forms part of a school's arrangements is not a guarantee of admission. Oversubscription criteria for this school are detailed above.

Fees and charges	There is no charge for applying for admission, for admission itself, or for the provision of education at a state-funded school. Schools will not request donations before or during the admissions process and any donations made to the school following admission are entirely voluntary. No activities such as school visits are compulsory. A policy on charging for activities is available on request from the school office.
General Data Protection Regulation	Information about an admissions application will be shared with relevant LAs and with another school when a place has been offered. Where one parent seeks information about an application or to locate a child, the priority will be to safeguard the child and immediate family. Unless it is established that the other parent may not lawfully receive information about the child, the following information will be shared: • the preferences expressed, • the date of the application, • name of the applicant and • the outcomes of those preferences. Details about the reasons for an application will not be shared with the other parent.
Home Address	Places are offered based on where the child will attend school, not necessarily where they live when the application is made. If a school has vacancies, then it doesn't matter whether the home address is in a catchment area or relatively close to the school. The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week or for one week in turn, the home address is determined by a joint declaration from the parents which may set out the pattern of residence. The address used will be the address from which the child attends school on most mornings in a normal school week. If no declaration is received and there is no relevant Court Order, the home address will be the address at which the child is registered with a GP. If this is in dispute or the child is not registered with a GP, any other evidence provided by parents will be considered in reaching a decision on the home address for admissions purposes. This may be necessary where parents don't agree on the child's home address. Parents are urged to reach agreement or seek a Specific Issues Order from a court to decide which parent should or should not pursue an application. Where they do not, the admissions authority will determine the home address for admissions purposes. Where a school asks for evidence of the address from which a child will attend school, this would often be written confirmation of a house purchase or a formal tenancy agreement. Schools and the LA recognise that some families may be unable to provide this. Parents who can't provide this evidence should contact the school or the LA. There is no intention to disadvantage families where there is a genuine reason why evidence cannot be provided.
Home-School Agreement	Admission to school is not conditional on signing a home-school agreement where one is used by a school. Some schools ask parents to sign a Home-School Agreement after children have been offered a place as a positive way of promoting greater involvement in a child's education.
In-Year admission	This is where a child joins the school at any time after the normal round, the first opportunity for admission to the school.
Linked School	A school which works with another to develop curriculum links and to ease transition for pupils from infant school to junior school and from primary school to secondary school. Sometimes called a feeder school. Eligibility for linked or feeder school priority where it forms part of a school's arrangements is not a guarantee of admission. Oversubscription criteria for this school are detailed above.

Looked After Children	These children are Looked After by or provided with accommodation in the exercise of its functions (see the Children Act 1989 section 22(1)) by a LA.
Member of staff	Many schools give admissions priority to the children of members of staff. This will be any salaried person employed at the school when the application is made. All members of staff are an important part of the school community: teaching and non-teaching. Where the duties of a member of staff are undertaken at different schools in a federation or chain of schools, there will be admissions priority only at one school. This will be at the member of staff's base school, where he or she works for more than 50% of their duties. Where a parent is no longer a member of staff, priority on that basis will cease. Eligibility for children of staff priority where it forms part of a school's arrangements is not a guarantee of admission. Oversubscription criteria for this school are detailed above.
Multiple birth siblings	Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) tied for the final place. Where one or more can be admitted within the PAN or AN, the school will admit them all and exceed the PAN if necessary.
Nodal points	A nodal point is a geographical location, used when a school is oversubscribed, to measure distance to an applicant's home. This can ensure the school serves pupils closest to it but also those living in other areas, for example areas that have more limited access to school places or where a straight-line measurement does not fairly represent proximity to the school. Nodal points are sometimes known as Admissions Points or Centroid Points. The term nodal point may also describe a specific location on school premises for distance measurement purposes.
Normal Round Admissions	This is where a child joins the school at the first opportunity for admission to the Year Group - even if the start is deferred until later in the school year at a primary or infant school.
Nurseries and pre-schools	Some primary and infant schools give admissions priority for children at a named school-run nursery. They will work with any local Early Years providers to make the transition into Reception as smooth as possible. All parents must apply for admission to Reception, regardless of where their Early Years provision has been. Eligibility for nursery priority where it forms part of a school's arrangements is not a guarantee of admission. Oversubscription criteria for this school are detailed above.
Objections to admissions policy	Advice is available from the Office of the Schools Adjudicator on how to object to this policy. Objections must be made by 15 May 2024 .
Offers	When a place is offered by the LA on behalf of a school, it is assumed the offer will be accepted unless the parent advises otherwise. Schools will contact parents after the LA offer to make admission arrangements - if a parent doesn't confirm the place is required within 10 school days of the offer, the school or the LA will try to contact the parent again. If there is no response within 5 school days of that contact, the offer may be withdrawn. It is important that when places are offered or refused it is done fairly and consistently. Where the LA or a school has reason to believe that false or deliberately misleading information has been provided, the decision to offer will be reconsidered using correct information. The offer may then be withdrawn if it would not have been made with the correct information, even if this is after admission. Places are offered based on the address from which the child will attend school. Accurate information is particularly relevant for addresses. A school or the LA may ask for evidence of a child's home address as part of the decision-making process. If a parent believes that the child's address will change before admission, the school or LA must be informed. The parent may be required to provide evidence of a new address where this would give a higher priority for admission.

	Places will only be withdrawn if: • they were offered in error, • the parent has not responded to an offer within a reasonable time, or • the offer was obtained through a fraudulent or intentionally misleading application which secured the offer of a place when the response would otherwise have been a refusal.
Overseas children	All applications, including those submitted from outside the country, will be processed without regard for nationality or immigration status. Foreign nationals who wish to apply for a state-funded school place should check that they have a <u>right of abode</u> or that the conditions of their immigration status otherwise permit them to access a state-funded school. Advice for parents of foreign nationals and children overseas is available from Plymouth City Council.
Oversubscription criteria	Where the number of applications exceeds the number of places available in the Year Group, the admission authority will use its published oversubscription criteria to prioritise applications. Oversubscription criteria are not used where there are sufficient places available. Eligibility for priority under any oversubscription criterion used by a school is not a guarantee of admission. Oversubscription criteria for this school are detailed above.
PAN or Published Admission Number	This is the minimum number of places available at the school at the normal round intake. In limited circumstances, more will be admitted. It is calculated considering the physical capacity of the school, the level of demand expected from local children living in a school's catchment area and sensible, lawful school organisation. Applications will not be refused below the PAN at the normal round. If there is unexpectedly high demand and a school believes it could admit more children, the PAN will be increased. A school may admit children above-PAN where their circumstances suggest their need to be admitted outweighs prejudice to efficient education at the school.
Parent (or carer or guardian)	For school admission purposes, a parent is any person who has parental responsibility or care of the child. When we say parent, we also mean carer or guardian. Where admission arrangements refer to parents this can mean one parent or both. A school or the LA may ask for evidence of parental responsibility where a person is acting as a parent but does not hold formal parental responsibility. Sometimes there is a dispute between parents over which school a child should attend. Decisions in response to an admissions application will consider imminent court hearings that may have an impact on parental responsibility and living arrangements. Neither a school nor the LA will become involved in parental disputes.
Prejudice to efficient education	It is lawful to refuse admission where taking another child would cause a "prejudice to efficient education or the efficient use of resources" at this school. This is the point when we would say the Year Group or the class is full. In most cases, prejudice would occur when the AN for the Year Group has been reached but it may also be when a class of mixed Year Groups is full. In a mixed year group class, the PAN or AN for one year group may be reached but if there are vacancies in the class, a place may be offered. In reaching these decisions, the admission authority will consider the impact on class sizes in future years. This is called future prejudice (see Admissions Appeals Code 3.10.)
Pupil Premium	Schools can give admissions priority where a child is eligible for Pupil Premium funding if included in the school's oversubscription criteria.

	Children are eligible for Pupil Premium funding: • who are eligible for free school meals, or have been eligible in the past 6 years (including eligible children of families with no recourse to public funds), • who have been adopted from care or have left care, • who are looked after by the LA, • who have a parent serving in HM Forces, • who have a parent who has retired on a pension from the Ministry of Defence. Eligibility for Pupil Premium priority where it forms part of a school's arrangements is not a guarantee of admission. Oversubscription criteria for this school are detailed above.
Service families	For children of UK service personnel and other Crown Servants we will consider a family posted to the area as meeting residence criteria even if a home address has not been identified and a unit address is used. Measurements for prioritisation purposes will be from the main entrance to the residential property or the centre of the front gate of the unit address if necessary. This requires written confirmation from the relevant government department: The Ministry of Defence, the Foreign and Commonwealth Office or Government Communications Headquarters. Schools will consider in-year admissions for families of UK service personnel posted to a new area and of crown servants returning to the country without reference to the 8 school weeks limit for other applications. Evidence will be required to confirm the posting. There is no additional admissions priority for children of service families.
Sibling	'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a stepbrother or sister or other child living in the same household as part of a single-family unit at the date of their application for a place. A sibling who has been offered a place within the normal admissions round will be considered as if he or she were on roll for the purposes of oversubscription priority where a child seeks admission in-year. A sibling who has been offered an in-year place will be considered as if he or she were on roll for the purposes of oversubscription priority where a child seeks admission at the normal round. Children must be on roll in year groups Reception to Year 11 or in a school's sixth form or post-16 setting to be eligible as siblings for admissions purposes. Sibling priority cannot be given for children who attend a school nursery. Eligibility for sibling priority (if this is part of the school's arrangements) is not a guarantee of admission. Oversubscription criteria for this school are detailed above.
Supplementary Information Form or SIF	A form in addition to the LA common application form. Some schools use SIFs to collect information necessary to apply one or more of their oversubscription criteria. SIFs need only be completed to provide information related to a specific oversubscription criterion, not by applicants who aren't seeking priority according to those criteria. An application form must also be completed in all cases.
Tie breaker	To distinguish between children in an oversubscription criterion, priority will be determined based on distance between home and school. This is measured in a straight line from the address point marker for a child's address to the centre of the main entrance to the school site using Devon LA's Geographical Information System (GIS). Where new-build properties are not yet displayed on the map, an estimate of the property location will be made using all available information. This will be updated when possible. Children who live closer to the school have a higher priority for admission. Where two or more children reside within a block of flats, they will be deemed to live at an equal distance from the school.

	If the tiebreaker above is not enough to distinguish between applicants in an oversubscription criterion, there will be a random ballot. This will be undertaken by a person independent of the school, such as an elected Member of The LA, by the operation of an electronic list randomiser. This will be used where it is necessary to distinguish between two or more addresses within 2 metres of each other. Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. Schools will admit them all.
Uniform	Children attending many schools are expected to wear a uniform. Where this is the case, information about where this can be purchased and support for families who may be unable to afford items of uniform will be available from the school office and website.
Waiting Lists	Schools will operate a waiting list for each year group until the end of the academic year. This will be maintained by the LA on behalf of the school and shared with the school. Waiting lists will only contain the names of children who have formally applied and been refused admission. Children's positions on the waiting list will be determined solely in accordance with a school's oversubscription criteria. Positions will be reordered whenever anyone is added to or leaves the waiting list. Therefore, a child's name can go up or down on the list. The length of time on a waiting list does not affect a child's position. Parents must confirm they wish the child to remain on the waiting list when requested to do so and must reapply at the end of the academic year. This is to ensure the list is kept up to date.

Exceptional Social or Medical Need for Admission Supplementary Information Form 2025-26

To be completed only where you are seeking priority on the grounds of exceptional need.

Normal Round admissions: complete the yellow sections and return by **31 October 2024** or as soon as possible.

You must also complete a LA Common Application Form¹

(eg, for Plymouth City Council area residents, at www.plymouth.gov.uk/schooladmissions)

In-year admissions: complete the yellow sections and return this form as soon as possible.

You must also complete a Plymouth Common Application Form at www.plymouth.gov.uk/schooladmissions

Please read the school admissions policy, including glossary, before completing this form. This is published on the school website and at <http://devon.cc/schoolpolicy>.

We give higher priority for children where there is an exceptional need to attend this school and not another school. The exceptional need could be for the child or parent.

A child may have very challenging circumstances that require additional support but if that support could also be provided at another school, there would be no exceptional need to attend this school.

We may ask you for further information or seek our own advice to establish whether this is the only school that could meet your child's needs.

If we accept that your child would experience a significant detriment by not being able to attend this school, we will agree that there is an exceptional need to attend this school and your application will be prioritised. However, this does not guarantee that a place will be available.

Where we don't accept that the need is exceptional, your application will be prioritised according to our other oversubscription criteria.

Please note that we wouldn't expect the following circumstances to be exceptional:

- your child may be separated from a friendship group if they went to another school;
- a wish to avoid another child from the current or previous setting;
- child-care arrangements before or after school;
- transport arrangements to or from school;
- a medical condition such as asthma that doesn't require specialised treatment;
- an interest or ability in a particular subject or activity
