

Hello Year 6,

We are so excited to welcome you to your Transition Days at Lipson.

This is your chance to get a first taste of what life at secondary school is like and start getting ready for your exciting journey with us in September.

It's completely normal to feel a bit nervous as well as excited, but these days are all about helping you settle in, meet new people and start getting used to your new school.

I'm Miss Glew, a History teacher at Lipson. I've always loved History – my love for it started when I was watching Horrible Histories as a young child! I've been teaching at Lipson for four years and before that I taught in Dubai, so I definitely have a bit of a travel bug.

In my spare time, I enjoy spending time with my friends and family and I love being outdoors as much as possible – especially exploring new places and staying active.

We are really looking forward to meeting you all and helping you settle into life at Lipson.

Have an amazing summer and see you very soon!

Miss Glew
