

Hello Year 6,

We are very excited to welcome you to your Transition Days at Lipson where you will get the chance to be the first to see what Lipson is really like, ready for your exciting journey with us in September!

I am Miss Kilpatrick, a Mathematics Teacher here. Just like you this is my first year at Lipson. We are going to embark on this exciting journey together over the next few years and I couldn't be more excited to meet you all!

During my free time, I enjoy running, exploring places like Dartmoor, and also playing a lot of football. You may even find me out on the astro at Lunch and Break with a football at my feet when I am not teaching in a classroom!

I look forward to meeting you, and if you are feeling a little bit nervous - don't be.

Welcome to the Lipson family, it is an amazing place to be!

Enjoy your summer, I will see you in September.

Miss Kilpatrick
