

Hello Year 6,

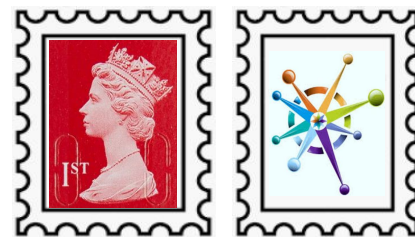

We are excited to welcome you to your Transition Days at Lipson where you will get a chance to be the first to see what Lipson is like, ready for your exciting journey with us in September.

I am Mr Barnes and I will be your new tutor when you join Lipson in September. Like you, this will also be the beginning of a new chapter in my life as it is my first year at Lipson as well. I am thrilled to be a Year 7 tutor and look forward to meeting all of you as you embark on your own new adventure where you will make new friends, develop new interests and experiences as you make the exciting transition from primary to secondary school.

I am a part of an amazing Geography department at Lipson where you will get to learn more about the natural features of the Earth as well as the role and impacts of our own actions on the planet.

Unfortunately, I will not have a chance to meet you on your induction day as I am currently on paternity leave, with my wife and I having recently welcomed the newest member to our family. Whereas my summer will be filled with nappy changes, I hope you all have a fantastic break and I will look forward to meeting you all in September! Stay safe.

Mr Barnes
