

Hello Year 6,

We are excited to welcome you to your Transition Days at Lipson where you will get a chance to be the first to see what Lipson is like, ready for your exciting journey with us in September.

I am your new tutor, Mr. Marks. I'm also a Science teacher with a huge passion for biology, especially the amazing world of microbiology—think tiny creatures and fascinating experiments! I can't wait to meet you all next week and embark on this exciting journey together.

When I'm not at school, I love adventures outdoors, whether it's walking my dog on Dartmoor or sailing in Plymouth Sound. I look forward to getting to know each of you and sharing lots of fun and learning.

See you soon!

Best wishes,
Mr. Marks
