

Hello Year 6,

We are excited to welcome you to your Transition Days at Lipson where you will get a chance to be the first to see what Lipson is like, ready for your exciting journey with us in September.

I'm Mr Baldry-Roberts, a Science teacher here. Just like you, this is my first year at Lipson. We're going to embark on this exciting journey together over the next few years, and I couldn't be more thrilled!

During my free time, I love to go exploring the underwater world beneath the waves as I'm a SCUBA diving fanatic. I love the sea and will always be found there when I'm not teaching in the classroom. I also love music and regularly go to concerts to watch my favourite groups perform.

I look forward to meeting you and if you're a little nervous - don't be! Lipson is a very friendly and welcoming school. Have an amazing summer and see you all soon.

Mr Baldry-Roberts
